

# Smoothies Menu

“Avoba Banana Bliss” is a great name choice: it’s fun, easy to say, and hints at both *avocado* and *banana* while feeling indulgent yet natural — totally on-brand for Nectar.

Here’s a one-page summary you can use directly for your menu book, in-store signage, or website. It’s balanced between storytelling and science, styled to match a high-end smoothie brand.

---

## Avoba Banana Bliss

Avocado • Groundnut Milk • Banana

### ✨ The Experience

Rich, creamy, and naturally sweet — *Avoba Banana Bliss* is comfort in a cup. Smooth avocado and ripe banana meet our house-made groundnut milk for a velvety texture that nourishes as deeply as it delights.

---

### ♥ The Goodness Inside

#### 1. Heart-Loving Fats

Avocado and groundnut milk deliver wholesome monounsaturated fats that help support a healthy heart and steady energy.

#### 2. Plant-Powered Protein

Groundnut milk adds natural plant protein for strength and satiety — keeping you full and focused through the day.

#### 3. Potassium & Electrolytes

Banana and avocado provide a natural source of potassium, aiding muscle recovery, hydration, and nerve balance.

#### 4. Gut-Friendly Fiber

Creamy fruits rich in soluble fiber support digestion and promote a happy gut.

#### 5. Naturally Energizing

Balanced carbs, healthy fats, and protein offer sustained energy — no crash, just calm focus and fuel.

---

## Wellness in Every Sip

Avoba Banana Bliss — creamy, dreamy, and deeply nourishing.  
*Where indulgence meets wellness — the Nectar way.*

---

## Signature Name Ideas (Strawberry • Banana • Yogurt • Honey • Vanilla)

→ Blissberry Bloom — it pairs perfectly with *Avoba Banana Bliss* (they sound like siblings on the menu), and visually, the strawberry pink contrasts beautifully with the avocado green.

---

### Blissberry Bloom

Strawberry • Banana • Yogurt • Honey • Vanilla Extract

#### The Experience

A soft swirl of strawberry and banana kissed with honey and vanilla. *Blissberry Bloom* is comfort and freshness in harmony — creamy, bright, and naturally uplifting.

---

#### The Goodness Inside

##### 1. Antioxidant Rich

Strawberries provide vitamin C and plant antioxidants that help fight oxidative stress and support radiant skin.

##### 2. Gut-Loving Probiotics

Yogurt brings natural probiotics that nourish the digestive system and support immune balance.

##### 3. Natural Energy & Recovery

Banana adds potassium and slow-releasing carbs for sustained energy and muscle recovery.

##### 4. Immune & Mood Support

Honey and vanilla offer gentle sweetness while providing antibacterial properties and mood-lifting aroma compounds.

##### 5. Protein & Calcium Boost

Yogurt delivers protein for satiety and calcium for strong bones and a steady metabolism.

---

Blissberry Bloom — bright, creamy, and joyfully wholesome.  
*A taste of happiness, the Nectar way.*

Excellent — that's your bright, cleansing, hydrating smoothie — a natural detox hero in the Nectar lineup. With pineapple, apple, lemon, and honey, you've got a blend that's refreshing, immune-boosting, and anti-inflammatory, yet still indulgently tropical.

Let's curate this one with the same elevated Nectar identity — natural elegance, vibrant health, and everyday luxury.

---

## Signature Name Ideas (Pineapple • Apple • Lemon • Honey)

Curator's pick:

→ Golden Rise — it fits beautifully between *Avoba Banana Bliss* and *Blissberry Bloom*, continuing the “warm, glowing, uplifting” theme of the Nectar brand. The golden hue of pineapple and honey embodies the sunrise — renewal, positivity, and vitality.

---

## Golden Rise

Pineapple • Apple • Lemon • Honey

### The Experience

Bright, crisp, and lightly sweet — *Golden Rise* is a morning awakening in a glass. Zesty lemon, juicy pineapple, and fresh apple blend with honey for a clean, refreshing detox that tastes like sunshine.

---

### The Goodness Inside

#### 1. Cleansing & Detoxifying

Lemon and apple work together to support the body's natural detox pathways, helping cleanse the digestive system and refresh the liver.

#### 2. Immunity & Vitamin C Boost

Pineapple and lemon deliver a high dose of vitamin C, supporting immune defense and collagen production for glowing skin.

### 3. Anti-Inflammatory Power

Pineapple contains bromelain — a natural enzyme that helps reduce inflammation and supports digestion.

### 4. Hydration & Alkalinity

Apple and lemon aid in maintaining body hydration and pH balance, supporting energy and clarity throughout the day.

### 5. Natural Energy & Mood Lift

Honey adds gentle sweetness with trace minerals and enzymes for steady, natural energy.

---

## Wellness in Every Sip

- High in vitamin C and antioxidants
  - Promotes detox and digestive balance
  - Naturally hydrating and energizing
  - 100% plant-based and gluten-free
  - No refined sugar — sweetened with pure honey
- 

## Allergen Note

---

Golden Rise — clean, radiant, and full of sunshine.

*A daily ritual of renewal — the Nectar way.*

---

Perfect — this one is your green vitality smoothie: crisp, cleansing, and full of energy. It's the kind of drink that defines a modern wellness brand like Nectar — earthy yet refined, functional yet delicious.

Let's curate it in the same premium tone and structure as your other smoothies.

---

## Signature Name Ideas (Kale • Cucumber • Pineapple • Ginger)

Curator's pick:

→ Emerald Elixir — elegant, instantly recognizable, and fits perfectly in the Nectar family beside *Avoba Banana Bliss*, *Blissberry Bloom*, and *Golden Rise*. The word *Elixir* evokes purity and rejuvenation — a premium green wellness blend.

---

## Emerald Elixir

Kale • Cucumber • Pineapple • Ginger

### The Experience

Refreshing, crisp, and lightly spiced — *Emerald Elixir* is a green tonic that awakens the body and clears the mind. Sweet pineapple softens kale's earthiness, while cucumber and ginger bring cool balance and gentle heat.

---

### The Goodness Inside

#### 1. Detox & Alkalinity

Kale and cucumber are rich in chlorophyll and water content, helping to cleanse and hydrate the body while supporting pH balance.

#### 2. Immunity & Anti-Inflammation

Pineapple's bromelain and ginger's natural compounds help reduce inflammation and support immune health.

#### 3. Digestive Harmony

Ginger stimulates digestion, while fiber from kale and pineapple aids regularity and gut balance.

#### 4. Vitamin & Mineral Boost

Packed with vitamins A, C, and K, plus antioxidants that protect cells and promote healthy skin and vision.

#### 5. Natural Vitality

A light yet nutrient-dense blend for lasting freshness and mental clarity — a perfect daily green reset.

### Wellness in Every Sip

- Excellent source of vitamins A, C & K
- Anti-inflammatory & immune-supportive
- Naturally hydrating and alkalizing

*Pure refreshment — the Nectar way.*

---

## 💖 Signature Name Ideas (Beetroot • Banana • Coconut Milk • Condensed Milk • Cashew Nut)

Curator's pick:

→ **Crimson Velvet** — elegant, memorable, and fully on-brand for Nectar's warm, modern luxury identity. The name visually balances the lineup (*Avoba Banana Bliss*, *Blissberry Bloom*, *Golden Rise*, *Emerald Elixir*).

---

### ❤️ Crimson Velvet

Beetroot • Banana • Coconut Milk • Condensed Milk • Cashew Nut

#### ✨ The Experience

Rich, creamy, and naturally sweet with a nutty depth — *Crimson Velvet* is where earth meets indulgence. Beetroot's vibrant color blends with banana and coconut for a velvety, nourishing treat that feels both decadent and restorative.

---

#### 💚 The Goodness Inside

##### 1. Blood & Heart Support

Beetroot naturally supports healthy blood flow and oxygen circulation, thanks to its high nitrate and iron content.

##### 2. Sustained Energy

Banana and cashew nuts provide slow-release carbohydrates, healthy fats, and magnesium for balanced energy and muscle recovery.

##### 3. Antioxidant Power

Beets and cashews supply antioxidants that protect cells from oxidative stress, promoting radiant skin and overall vitality.

##### 4. Brain & Mood Nourishment

Healthy fats from cashews and coconut milk support cognitive function and a stable mood.

##### 5. Natural Sweetness & Comfort

Condensed milk and banana create a soft, dessert-like sweetness — pure comfort, no artificial syrups.

---
